Useful Information

- Appendix IX of the Small Business GWAC Ordering Guide has been updated to reflect locality differentials as of January 2025. Agency COs can use these to adjust awarded labor rates when performance is outside the Washington-Baltimore-Arlington area.
- Contract year 4 ended on July 1, 2025, regardless of when your award was made. Please review sections G.19 and G.20 of your contract and begin preparing to complete these annual reporting requirements which are due no later than July 31, 2025.

Reminders

- 8(a) STARS III industry partners must include the GSA contract access fee (CAF) as a **separate element / line item** on all quotes/proposals in accordance with section B.6.3 of your contract.
- If you need assistance with CPRM, you can find self-paced training modules on the CPRM homepage under the Access to Training Modules link (<https://assist.gsa.gov/assist2-web/help>) You can filter training offerings by selecting CPRM from the Tab filter.
- Do you need help keeping track of the 8(a) STARS III contract deliverables? Consider downloading the "8(a) STARS III Contract Deliverables" table from the [8\(a\) STARS III Resource Center](#). This resource is located in the Contract Resources section.
- Most master contract-related communications will come from s3@gsa.gov. Please ensure s3@gsa.gov is in your 'safe sender list' and please reply to s3@gsa.gov rather than the individual listed as 'sent by' in the message header. All members of the STARS III team have access to s3@gsa.gov messages and having those messages in a common location simplifies responding to your inquiries.
- The 8(a) STARS III Pricing Tool currently displays awarded labor rates through Contract Year 5. Your awarded labor rates for all contract years was provided as an Excel file *with your signed award documents*, and those

with your signed award documents, and these rates should be used for task order proposals that require pricing beyond year 5. Rates for Contract Years 6 through 13 will be adjusted prior to the option period as discussed at section B.13 of your STARS III contract.

- Check out the National 8(a) Association's [Calendar of Events](#) if you are interested in learning more about upcoming opportunities to engage with federal agencies and network with other federal contractors.
