Reminders

- Please do not include stars3awardees@gsa.gov in the "to" or "cc/bcc" line when replying to emails that were sent to your STARS3 group email address. Including only the intended recipients ensures that your email is not mass distributed to all 8(a) STARS III industry partners.

- Add "ReportingInquiries@gsa.gov" to your approved sender list. A team of program analysts supporting the STARS III team will send notices when required reporting is delinquent from the "ReportingInquiries@gsa.gov" email address. Failure to report timely or respond to a request for action will impact your STARS III performance record!

- Pro Tip: Never be late on reporting again! Create a visual aid to remind you of reporting requirement due dates. Set a monthly calendar reminder to review and report any necessary actions!

- If you need assistance with CPRM, you can find self-paced training modules on the CPRM homepage under the Access to Training Modules link (https://assist.gsa.gov/assist2-web/help) You can filter training offerings by selecting CPRM from the Tab filter.

- Did you miss the 8(a) STARS III trivia session held on October 18th? Don't worry, we recorded it for you. The recording can be accessed through this link.

- On Monday, October 31, the automatic redirect from the old ASSIST URL https://portal.fas.gsa.gov to the new ASSIST URL https://assist.gsa.gov was discontinued. If you have the ASSIST URL saved or

bookmarked within your browser, please ensure it is updated to align with assist.gsa.gov.

- The 8(a) STARS III GWAC has a new logo. Industry partners are encouraged to download the new logo for use on 8(a) STARS III marketing materials. Both .jpg and .png file formats are available for download in the 8(a) STARS III Resource Center.
