## Useful Information

- New OMB memo presses federal agencies to issue more contracts to small business entities that have never worked in the Federal marketplace.
- Tip - visit federal agency OSDBU websites for upcoming small business events. A list of OSDBU websites can be found in [GSA's Acquisition Gateway](#).
- Once you have been awarded a task order, be sure to comply with the reporting requirements at sections G.17 and G.18 of your STARS III contract. Verifying the order data imported from FPDS is accurate and complete as well as attaching/uploading the award document, SOW/PWS and any contract modifications ensures the GSA has complete and accurate task order data; and is key to maintaining our Best In Class designation. A zero invoice report makes it clear you have not received payment on an invoice so our systems do not identify you as delinquent on invoice reporting requirements. You will find self-paced training on these topics on the CPRM homepage under the Access to Training Modules link. You can filter training offerings by selecting CPRM from the Tab filter.
- [GSA Training Opportunity - Making Market Research Easy - Enhancing Industry Partnerships](#) Learn more about Requests for Information (RFI) and how they can be a useful tool for your business. This webinar will bring innovative insights on how to respond to GSA's RFIs by providing tips and tricks from the experts.

## Reminders

- Include the GSA contract access fee (CAF) as a separate element / line item on all quotes/proposals in accordance with section B.6.3 of your contract.
- Please do not include [stars3awardees@gsa.gov](mailto:stars3awardees@gsa.gov) in the "to" or "cc/bcc" line when replying to emails that were sent to your STARS3 group email address. Including only the intended recipients ensures that your email is not mass distributed to all 8(a) STARS III industry partners.
- Add "[ReportingInquiries@gsa.gov](mailto:ReportingInquiries@gsa.gov)" to your approved sender list. A team of program analysts supporting the STARS III team will send notices when required reporting is delinquent from the "[ReportingInquiries@gsa.gov](mailto:ReportingInquiries@gsa.gov)" email address. Failure to report timely or respond to a request for action will impact your STARS III performance record!
- If you need assistance with CPRM, you can find self-paced training modules on the CPRM homepage under the Access to Training Modules link (<https://assist.gsa.gov/assist2-web/help>) You can filter training offerings by selecting CPRM from the Tab filter.
- Our team would like to take a moment to inform you about our new inquiry collection system. The linked [Governmentwide Acquisition Contract \(GWAC\) Contractor Payment Reporting Module \(CPRM\) Inquiries Google Form](#) makes it very quick and easy to submit inquiries and questions that you have previously sent to the [reportinginquiries@gsa.gov](mailto:reportinginquiries@gsa.gov) email box. Please save the link to your bookmarks so that you can easily access it at any time.
- Do you need help keeping track of the 8(a) STARS III contract deliverables? Consider downloading the "8(a) STARS III Contract Deliverables" table from the [8\(a\) STARS III](#)
