<b>Total DPAs have been issued</b>	<b>1084</b>

## Useful Information

- A contract modification to add FAR 52.204-27, Prohibition on a ByteDance Covered Application, to your 8(a) STARS III contract was issued using DocuSign during the first week of July. If you have not seen an email asking you to sign and return the modification, please email [s3@gsa.gov](mailto:s3@gsa.gov).
- Contract year 2 ended on July 1, 2023, regardless of when your award was made. Please review sections G.19 and G.20 of your contract and begin preparing to submit these annual reporting requirements which are due no later than July 31, 2023.
- A Listen & Learn recording has been added to the 8(a) STARS III Resource Center. You may listen to the recording [here](#).
- Herman Lyons and Jean Fluevog were featured on the "GSA Does That" [podcast](#). The episode focuses on the 8(a) STARS III GWAC and other ways GSA opens doors for small businesses to thrive in a competitive environment.
- GSA's Industry Partner Symposium is happening on July 19. Register [here](#) to attend the virtual event and get insights, guidance and tools that will help you manage your government contracts.

## Reminders

- 8(a) STARS III industry partners must include the GSA contract access fee (CAF) as a **separate element / line item** on all quotes/proposals in accordance with section B.6.3 of your contract.
- Please do not include [stars3awardees@gsa.gov](mailto:stars3awardees@gsa.gov) in the "to" or "cc/bcc" line when replying to emails that were sent to your STARS3 group email address. Including only the intended recipients ensures that your email is not mass distributed to all 8(a) STARS III industry partners.
- Add "[ReportingInquiries@gsa.gov](mailto:ReportingInquiries@gsa.gov)" to your approved sender list. A team of program analysts supporting the STARS III team will send notices when required reporting is delinquent from the "[ReportingInquiries@gsa.gov](mailto:ReportingInquiries@gsa.gov)" email address. Failure to report timely or respond to a request for action will impact your STARS III performance record!
- If you need assistance with CPRM, you can find self-paced training modules on the CPRM homepage under the Access to Training Modules link (<https://assist.gsa.gov/assist2-web/help>) You can filter training offerings by selecting CPRM from the Tab filter.
- Our team would like to take a moment to inform you about our new inquiry collection system. The linked [Governmentwide Acquisition Contract \(GWAC\) Contractor Payment Reporting Module \(CPRM\) Inquiries Google Form](#) makes it very quick and easy to submit inquiries and questions that you have previously sent to the [reportinginquiries@gsa.gov](mailto:reportinginquiries@gsa.gov) email box. Please save the link to your bookmarks so that you can easily access it at any time.
- Do you need help keeping track of the 8(a) STARS III contract deliverables? Consider downloading the "8(a) STARS III Contract

Deliverables" table from the [8\(a\) STARS III Resource Center](#). This resource is located in the Contract Resources section.

- The 8(a) STARS III GWAC has a new logo. Industry partners are encouraged to download the new logo for use on 8(a) STARS III marketing materials. Both .jpg and .png file formats are available for download in the [8\(a\) STARS III Resource Center](#).
- Most master contract-related communications will come from [s3@gsa.gov](mailto:s3@gsa.gov). Please ensure [s3@gsa.gov](mailto:s3@gsa.gov) is in your 'safe sender list' and please reply to [s3@gsa.gov](mailto:s3@gsa.gov) rather than the individual listed as 'sent by' in the message header. All members of the STARS III team have access to [s3@gsa.gov](mailto:s3@gsa.gov) messages and having those messages in a common location simplifies responding to your inquiries.
- The 8(a) STARS III Resource Center has a new shortcut, [vsc.gsa.gov/s3](https://vsc.gsa.gov/s3) for easier access. We recommend that you save this website to your favorites for quick access to 8(a) STARS III resources.
- The SAM.gov minor name and address change fix is live. Read about the update at [GSA's Interact](#).
