Useful Information

- Are you interested in helping GSA promote 8(a) STARS III? We're pulling together a roster of 8(a) STARS III industry partners that would like to help us tell good stories, and we'd love your help! Please take a few minutes to complete this very simple [Google form](#) to raise your hand and volunteer.
- Most master contract-related communications will come from s3@gsa.gov. Please ensure s3@gsa.gov is in your 'safe sender list' and please reply to s3@gsa.gov rather than the individual listed as 'sent by' in the message header. All members of the STARS III team have access to s3@gsa.gov messages and having those messages in a common location simplifies responding to your inquiries.
- The 8(a) STARS III Resource Center has a new shortcut, vsc.gsa.gov/s3 for easier access. We recommend that you save this website to your favorites for quick access to 8(a) STARS III resources.
- Did you miss GSA's Market Research as A Service (MRAS) training for 8(a) STARS III industry partners? A recording of the training may be accessed [here](#).
- Herman Lyons, 8(a) STARS III Program Manager, will be attending the National Government Procurement Conference in Washington DC on April 19. If you will also be attending the event and would like to arrange a time to meet with Herman, please send an email to herman.lyons@gsa.gov. Your attendance at this event is optional and is not required by the government.

Reminders

- 8(a) STARS III industry partners must include the GSA contract access fee (CAF) as a **separate element / line item** on all quotes/proposals in accordance with section B.6.3 of your contract.
- Please do not include stars3awardees@gsa.gov in the "to" or "cc/bcc" line when replying to emails that were sent to your STARS3 group email address. Including only the intended recipients ensures that your email is not mass distributed to all 8(a) STARS III industry partners.
- Add "ReportingInquiries@gsa.gov" to your approved sender list. A team of program analysts supporting the STARS III team will send notices when required reporting is delinquent from the "ReportingInquiries@gsa.gov" email address. Failure to report timely or respond to a request for action will impact your STARS III performance record!
- If you need assistance with CPRM, you can find self-paced training modules on the CPRM homepage under the Access to Training Modules link (<https://assist.gsa.gov/assist2-web/help>) You can filter training offerings by selecting CPRM from the Tab filter.
- Our team would like to take a moment to inform you about our new inquiry collection system. The linked [Governmentwide Acquisition Contract \(GWAC\) Contractor Payment Reporting Module \(CPRM\) Inquiries Google Form](#) makes it very quick and easy to submit inquiries and questions that you have previously sent to the reportinginquiries@gsa.gov email box. Please save the link to your bookmarks so that you can easily access it at any time.
