

Federal Supply Schedule Price List

This is an outline of what your price list should look like in accordance with the I-FSS-600 Contract Price List clause, found in your MAS contract.

The text document consists of two parts, the cover page which list basic vendor and contract information and the customer information sections. As shown in the below pages, the information in the customer information section should be placed under this heading in consecutively numbered paragraphs in the sequence set forth below. If this information is placed in another part of the Federal Supply Schedule Price List, a table of contents must be shown on the cover page that refers to the exact location of the information.

In addition to the information required in I-FSS-600 some Large Category, Subcategory, and/or SINS have additional requirements for the price list as follows:

CUSTOMER INFORMATION

- 1a Table of awarded special item number(s) with appropriate cross-reference to item descriptions and awarded price(s). *Example below.*

SIN	SIN Title
541420	<i>Engineering System Design and Integration Services</i>
541380	<i>Testing Laboratory Services</i>
541330ENG	<i>Engineering Services</i>

- 1b Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply. Please guide the reader to where required information can be located, e.g. page number.
- 1c If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility, and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate “Not applicable” for this item. Please guide the reader to where required information can be located, e.g. page number.
2. **Maximum order:** Identify the maximum order amount for each SIN awarded (see Available Offerings Attachment available with the [Solicitation](#).
*The Maximum Order Limit (MoL) indicates the dollar value of the MoL. Under the MAS program, the MoL is set by Special Item Number (SIN) as the threshold at which a contractor should: (a) not be obligated to honor the order(s) given the volume/dollar value, and (b) expect to give additional price reductions (see 552.238- 81) given the nature of the items included under a particular SIN. This MoL also plays a part in price reductions clause compliance, as contractors are allowed to give discounts on orders that exceed the MoL to their Most Favorite Customer (MFC)/Basis of Award (BOA) Customer. The maximum order threshold does not prevent contractors from having orders that exceed the MoL.
3. **Minimum order:** Enter minimum order amount identified in contract award

4. Geographic coverage (delivery area): See your contract clause I-FSS-103- Scope of Contract. Insert Domestic or Worldwide
